TASTE OF THE ARTS TOUR

FERMENTED FOOD DEMOS AND TASTINGS • ART DEMOS • PERFORMANCES

Sat. May 27 10-5:30 | Sun. May 28 11-4:30

For thousands of years, farmers in cultures around the world interwove dance, music, theater & visual art through rituals of planting & the harvest in celebration of the land & those who care for it. Through a contemporary approach, we propose to establish a tradition celebrating culinary and other multi genre arts.

The goal of the Taste of the Arts spring tour, at height of planting times, is to give regional visitors a 2 day tour that allows them to stop at several locales that celebrate culinary food artists with a focus on fermented foods & garden produce & at each stop an art installation &/or outdoor performance.

Check Belle Thalia Creative Arts Space Facebook page for more info maskrose57@gmail.com
